

RECRUITMENT CAMPAIGN

JOIN THE CEO'S BIRTHDAY CONVENTION IN OKINAWA By recruiting your new star in Japan!

Objective: Though we were initially intending on sending invitations to distributors around the globe, the current situation of the pandemic has proven to make this difficult. However, we have made this additional campaign in order to provide an opportunity for distributors to indirectly visit Okinawa through their new downline. Your friends, family and relatives that are living in Japan will be given a chance of visiting Okinawa on the sponsors behalf. In other words, this is a "Find your new star in Japan" Campaign.

Campaign Period: February 1st - February 28th, 2022

Regardless of your residency, if you recruit a new downline in Japan in the month of February and he/she becomes a 2A within the same month, the new 2A distributor and the direct sponsor will receive an invitation to Mr. O's 81st Birthday Global Convention on March 17th, 2022.
